Northstar Labs — Employee Leave Policy

Policy ID HR-014 | Version 2.1 | Effective 1 April 2026

Document contents

Purpose

This policy explains paid time off for full-time employees of Northstar Labs. It applies to employees after their first day of employment unless a section states otherwise.

Annual leave

Full-time employees receive 20 working days of annual leave per calendar year. Leave accrues at 1.67 days per month. Employees may carry forward up to 5 unused days into the next calendar year. Carried-forward leave must be used by 31 March or it expires.

Sick leave

Employees receive 8 paid sick days per calendar year. A medical certificate is required for an absence of 3 or more consecutive working days. Employees should notify their manager before 10:00 AM on the first day of absence.

Public holidays

The company observes 10 paid public holidays each year. The HR team publishes the holiday calendar in January.

Approval process

Annual leave requests of 1 or 2 days should be submitted at least 3 working days in advance. Requests for 3 or more consecutive days should be submitted at least 10 working days in advance. A manager must approve all annual leave before the employee books non-refundable travel.

Remote work and leave

Working remotely from another city does not count as annual leave if the employee is working their normal hours and has manager approval. Remote work from another country requires written approval from HR and Information Security.

Test note: This is fictional sample content. It contains deliberately specific facts, dates, numbers, and names so retrieval and citation behavior can be checked.
